

Yak Attack Registration Directions.

YYSA coaches log in using the same username and password that you use to register yourself.

Non YYSA coach/manager Click on

NO, I do not have a member account

Even if your Association is using Bonzi you are not affiliated with YYSA so you need to create your own members account log in.

Team

You can download your team from your Association or if you are going to have more than one team create a manual roster for each team.

Manually creating a team.

Step 2 in the application

If you can not find your team click here to manually create a team.

Step 3: Verify and Complete Your Team Information

Team Information

Team Number: example make up number 9 digits

Team Name:

Team Gender:

Team Age: age 2009/2010 season

Playing Age determines the age division in which your team will play.

The Playing Age must be the same or older than the Team Age.

Playing Age: 2010/2011 season

Spelling of names and birthday must be same as it they were entered in Bonzi.

No nicknames.

All players must be registered in the 2009/2010 season. If they are not, ask your association or club registrar to register the players for tournament play.

Contact the YYSa office if you have any question about registration.
